THE EVENING STAR has a regular and

permanent circulation in Washington three

times larger than that of any other paper h thecity. As a local NEWS paper and Advertising Medium it has no competitor.

The attorney for the District holds that the

newspapers and consequently the public which

they represent have no more rightful interest

or concern in the appointments and removals

by him, and the motives for these official acts

than he has in changes made by the manager

of newspapers among those in their employ.

Entertaining this extraordinary view of the

office which he occupies-not as proprietor, but

merely as the servant of the public-it is not

strange that he resents as a malicious personal

attack the printing of matter which raises the

question whether a certain removal by him is

Whether Mr. Hazelton was right or wrong in

removing Mr. Dumont he will do well to de-

scend promptly from the high horse which he

has mounted. This community is not to be

told with impunity that "a public office is a

private snap," in the affairs and conduct of

which the public has no concern. Mr. Dumont

declared concerning the district attorney's

office that there was nothing in it for him. The

district attorney now announces that there is

of exclusion it results that the office is the pri-

sale property of the district attorney and that

sent rudely and effectively from this menopo-

istic, non-dividing, lordly notion entertained

Mr. Dumont had found a means of represe-

ing illegal sales of liquor which promised, at

least, temporary success, and the public re-

joiced. Mr. Hazelton dismissed these proceed

ings, which no court had as yet discounten-

anced, holding out to the public the hope of

future proceeding webs police regulations

which were not yet, if they ever could be

valid, and then dismissed Mr. Dumont, Where-

upon the illegal liquor dealers rejoiced. The

prohibitionists claimed that the liquor men had

been instrumental in creating the cause of

their own joy, and then the public and Tue

STAR took an interest in the matter. If the

liquor men had any influence, as alleged, in the

removal of Mr. Dumont and the suppression of

his prosecutions the public has a right to

know it, and if no such influence has been ex-

erted and other considerations prevailed th

public has a right to find out and know 'hat too

Mr. Hazelton thinks that the Dumont pros

cutions were shaky, and some other lawyer

think that the Hazelton prosecutions under the

new regulations will be shaky. But the public

approves of all efforts to fasten penalties upon

law breakers, and for the good that could be

especially during the Grand Army encamp-

ment, has applauded every effort that prom-

ised relief from an unlimited whisky traffic,

even though that relief might possibly be only

temporary. Being in this frame of mind the

public has been curious to know why the Du-

mont proceedings were not permitted to run

their natural course, however short, for the

same good reasons that prompted the framing

what that reason may be? It is not insisted

that these questions cannot be satisfactorily

visions and investing the President with au-

pending an epidemic. The regulations should

thorities at the great seaports the right to ex-

of the new police regulations on legislative anthority which is questioned. Why should the district attorney be the first to discard a weapon which had, so far as tried, proved effective for the public welfare, when this action left him for the time completely unarmed and helpless? Why could not all the chances that presented themselves of repressing the evil even temporarily have been wisely taken? If the district attorney had some other reason than a desire to please the liquor men for causing the latter to rejoice by dismissing hostile proceedings and an energetic prosecutor who 420, 422, 424, 426 7TH ST. N. W. annoyed them, what is there to prevent him

the motives and conduct of a public officer in the discharge of his public and official duties. The public and THE STAR must, it is feared, continue to annoy Mr. Hazelton by prying into Scotland and Wales. The disease has gained a test To The N. Y. Ave. Rink.

OPTICAL HISTORY.

Spectacles were invented by a Florentine monk in the

the closing of summer. We will take the first step those little resemblance to the finished product sold to in the INFANTS' DEPARTMENT. It is the they day. From these rough magnifiers the skill and department of the house but it is full grown in genius of the American people, more than any other, blic favor. Our stock and our methods won it a have evolved the principle and practice of scientific optics. Many people think that glasses are glasses, as indeed they are. They understand that there are reading glasses, far-sighted glasses and near sighted glasses, but how few realize that an eye may at the tremely low as an inaugural. Let's attend to the une time be both near and far sighted-near sighted in the horizontal meridian and far sighted in the perpendicular. Such an eye requires what is known as combination glass-a lense ground with curvatures corresponding to and for the correction of such optical lefects. With facts like this before us it were folly for one to select one's own glasses. The service and skill of the oculist and optician are required A due appreciation of this fact caused us to equip our Optical Department with all modern appliances and place it under the direction of a skilled specialist. (1st floor...... near 11th st. entrance.

CONCERNING

OUR GREAT SALE OF LINENS AND HOUSE FURNISHINGS FOR THE

G. A. R. ENCAMPMENT. You'll doubtless entertain some of the vis-

itors to the twenty-sixth National Encampment. It's none too early to get ready. We commenced months ago and have everything in convenient shape for you. If Napkins, Table Clothsor Towels are needed they must be hemmed, marked and laundered before using. It all takes time and you've none too much, with your daily household duties and the score of other things which must be looked after prior to the encampment. The stocks are at their best. Everything that you can possibly need is here.

Table Damasks, Napkins, Doylies, Tray Clothe, Table Padding, Chamber Towels, Dish Towels, Glass Towels, Kitchen Towels, Crashes, Scrubbing Cloths, Qots, Pillows, Pillow Slips, Bolster Slips, Sheets, Blankets, Comforts, Quilts, Curtains, Plags of silk, wool and cotton, Bunting for decorating, &c. Was certainly a comical character. Indeed Dickens seemed to possess the faculty of putting more genuine humor into apparently commonplace characters than any one of his time. It is not our wish to dwell upon Joe and the humorous side of his nature, but to call your attention more particularly to All Silk Vests-low neck and no sleeves in cream, light blue, pink, old gold, lavender, Nile, black and cardinal, only
